

Tesimag is please to inform its customers that offers a new service for purchasing spare parts by credit card:

sure payments, saving in time for the execution of the banking papers, delayed charges with respect to other ways of payment (cash on delivery, payment against documents etc.) and, last but not least, you will minimize the time required for the shipment of the pieces ordered since all the administrative formalities are reset.

Your personal data will be treated by Tesimag's qualified personnel only, who are under pledge of secrecy as to confidential information they learn about .

To this purpose, computer files protected by special passwords have been created, whose access is permitted to the above-mentioned authorized personnel only.

To enter this innovative service is very simple: it is enough you fulfil a few formalities that are listed here below:

1. If it is the first time you make use of this way of payment, you shall return the enclosed for duly filled in and signed, paying attention to forward it only to Fax number **0039-0585-54286** that has been established and started exclusively for this service and is managed only by authorized, secret-bound personnel. Furthermore, your order shall clearly mention the authorization to the debit by credit card.
2. If it is not the first time you make use of this way of payment, you shall always clearly specify in the order for which you intend to use this way of payment, that you authorize Tesimag s.r.l. to the debit by credit card. No further data are required since they are already in our possession and entered in our computer system.
3. Any change in the credit card number or date of expiry shall be promptly communicated to Tesimag s.r.l. according to the procedure as per item 1. Tesimag s.r.l. guarantees that the personal data it will acquire will be treated in compliance with the provisions of the Law 675/96 about the privacy. In particular, under art. 10 of said law, we guarantee that your personal data will be treated with the support of suitable paper files and computer instruments able to guarantee maximum safety and confidentiality. The aforesaid personal data will not be conveyed to any subject other than Tesimag s.r.l. and the Customer could at any time exercise the rights mentioned in art. 13 of the Law, by contacting Tesimag s.r.l.

Confident to have done the right thing in bringing this new initiative to your attention, which is targeted to a continuous improvement of our service, we are at your complete disposal for any further information you may need and remain, Yours faithfully,
